Announcing Dr. Williams' Retirement August 18, 2023

It is with mixed emotion that I am announcing my retirement from active practice, effective August 18th, 2023.

What an honor and privilege it has been for me to have been your obstetrician and/or Gynecologist! These relationships have varied from 1 visit to encompassing more than 30 years!

I am dedicated to helping my patients transition their care. Of course, you may seek medical treatment from another physician if you prefer. If you choose to do so, I encourage you to look for a new physician as soon as possible. You may contact your insurance company or the Bexar County Medical Society at (210) 301-4391 to assist in your search. Our records release form can be found on the website and in our patient portal under Documents/Forms.

Your medical records will remain with Women Partners. A copy can be transferred to another doctor or released to you with your permission. I encourage you to see one of the incredible doctors or nurse practitioners at Women Partners.

I wish you health and happiness in your future.

Sincerely,

Debra Williams, MD
